

**EASTERN KERN AIR POLLUTION CONTROL DISTRICT
GARY RAY, JR., APCO**

PRIORITY PROCESSING REQUEST

Rule 303 VI.

VI. Priority Processing

The applicant may request priority processing for an Authority to Construct (ATC) or other permit activity. The applicant shall pay a per hour Priority Processing Fee to process an application for each hour that the application is processed on a paid overtime basis, in addition to the normal application and processing fees as required by Rules 301, 301.1 or 303(subsection II). The Priority Processing Fee shall be 1.5 times an Air Quality Engineer II, step 10, hourly salary multiplied by the total actual overtime hours worked. The hourly rate for priority processing of an application will be posted on the District's website each April 1st. In order for the application to have Priority Processing, the applicant must note on the application that they agree to the Priority Processing Fee and for how many hours of overtime processing they are willing to pay.

Priority Processing Fee is \$81.00 per hour plus application processing fee of \$110.00 per hour.
