SUBJECT: Appointment of Members to the 2012-13 Motor Vehicle Emissions Reduction Program Committee

Honorable Board:

The Motor Vehicle Emissions Reduction Program (MVERP) Committee consists of ten members appointed by the Governing Board and serve a two year term. The MVERP Committee is charged with developing a list of recommended projects for funding to provide to the Governing Board for their consideration. The MVERP Committee members represent all parts of Eastern Kern: one from California City; two from the Kern River Valley; one from the Mojave area; three from the Ridgecrest area; one from the Rosamond area; and two from the Tehachapi area.

Staff solicited the Governing Board members to recommend reappointments and nominees for their areas that they represent. Attached is the list of MVERP Committee incumbents and nominees developed through that process.

IT IS RECOMMENDED your Board reappoint the seven incumbent members and appoint the three new members as listed in the attachment to this letter to the Motor Vehicle Emission Reduction Program Committee with a term of two years, effective January 1, 2012.

Sincerely,

David L. Jones
Air Pollution Control Officer
