Board of Directors
Eastern Kern APCD
2700 "M" Street, Suite 302
Bakersfield, CA 93301

SUBJECT: Agreement with Sierra Sands Unified School District for School Bus Replacement

Honorable Board:

Eastern Kern Air Pollution Control District (District) collects a two-dollar DMV fee referred to as AB 923 (Stats. 2004, Ch. 707). As directed by your Governing Board, AB 923 funds are used to replace and retrofit older high-emitting school buses pursuant to the Lower-Emission School Bus Program (LESBP) adopted by the California Air Resources Board.

Sierra Sands Unified School District (SSUSD) identified a high-emitting 1990 International school bus eligible for replacement. SSUSD submitted a Board resolution to the District agreeing to replace the high-emitting school bus with a new lower emissions school bus. Agreement 07-001-2017 will provide AB 923 funds for 79.69 percent of eligible costs, up to a maximum of \$110,000.00 of the estimated total project cost of \$138,027.35. The old bus is required to be removed from service and salvaged once the new bus is placed in service.

Three copies of the proposed agreement, a sample copy of which is attached, were sent to the applicant to approve by signature and are expected to be returned to the District prior to the Board Meeting. If any significant changes are identified by the applicant, the item will be withdrawn and the Agreement will be held to the September 2017 Board Meeting.

IT IS RECOMMENDED your Board approve and authorize Chairman to sign Agreement 07-001-2017 with Sierra Sands Unified School District for the purchase of a new school bus.

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
