SUBJECT: Proposed Agreement with Antelope Valley Dust Control Group for Regional dust Control Measures in the Cantil and Rancho Seco areas of Fremont Valley.

Honorable Board:

The Fremont Valley (including Cantil and Rancho Seco) area of the Eastern Kern Air Pollution Control District (District) has been seriously devastated by blowing sand. To combat the problem, the area was assessed by the Antelope Valley Dust Control Group (AVDCG) in 2016 and 2017. Based on the assessment the AVDCG will implement targeted mitigation measures.

AVDCG is a qualified firm to provide a regional dust control plan, a monitoring and maintenance program, a pilot mitigation project, and reporting of the project. The 23-month agreement cost is not to exceed \$25,000.

IT IS RECOMMENDED your Board approve and authorize Chairman to sign Agreement No. 07-015-2017 with Antelope Valley Dust Control Group.

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
