SUBJECT: Proposed License Agreement with Indian Wells Valley Water District (IWWVD) for use of IWWVD Property for an Air Monitoring Station in Ridgecrest

Honorable Board:

District Staff is recommending the Board approve an agreement with a term of ten years with the Indian Wells Valley Water District (IWWVD) for the use of approximately 800-square feet of space for an air monitoring station at the northwest corner of Primavera Street and Sydnor Ave in Ridgecrest, California (IWWVD Wells 9A/10 site). The agreement has been reviewed by County Counsel and IWWVD Attorney. If your Board approves the proposed License Agreement, it becomes effective immediately. IWWVD approved use of their property at their February 12, 2017 Board Meeting.

IT IS RECOMMENDED your Board approve and authorize Chairman to sign the ten-year License Agreement No. 05-001-2017 with the IWWVD for the use of their property at the corner of Primavera Street and Sydnor Ave in Ridgecrest.

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
