SUBJECT: Adoption of Amendments to Rule 208.2, (Criteria for Finding of No Significant Environmental Impact (California Environmental Quality Act))

Honorable Board:

Eastern Kern Air Pollution Control District (District) is proposing to adopt amendments to Rule 208.2, (Criteria for Finding of No Significant Environmental Impact (California Environmental Quality Act)). On November 2, 2017, the District held a public workshop at the Mojave Veteran's Building in Mojave, California to present proposed amendments to Rule 208.2. District staff submitted copies of the proposed amendments to the California Air Resources Board (ARB) and Region IX of the U.S. Environmental Protection Agency (EPA) for an initial review prior to the workshop. A 30-day public review and comment period followed the workshop. No comments were received.

Rule 208.2 is being amended to update the health risk threshold and the Environmental Information Form and Initial Study Evaluation. Rule 208.2 will become effective immediately upon Board adoption. A Notice of Public Hearing was duly published more than 30 days prior to this hearing in the following newspapers: Mojave Desert News, Daily Independent, Tehachapi News, and Bakersfield Californian. The notice requested written comments on amended Rule 208.2 and associated staff reports by January 10, 2018. A copy of the staff report, which includes the proposed amendments to the rule is attached.

IT IS RECOMMENDED your Board Open Hearing; Receive Public Comment; Close Hearing; Adopt Amended Rule 208.2, (Criteria for Finding of No Significant Environmental Impact (California Environmental Quality Act)), and Resolution Number 2018-001-01.

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
