SUBJECT: 2018 DMV Grant Program Recommended Projects

Honorable Board:

The Eastern Kern Air Pollution Control District (District) receives annual AB 2766 "air quality impact" funds collected through the DMV from each vehicle registered in Eastern Kern County. The District uses these funds for projects related to reducing mobile sources emissions, public education, air monitoring, and technical studies/planning activities necessary for the California Clean Air Act.

AB 2766 funds are committed to eligible projects through the District's DMV Grant Program. The District received applications for two eligible 2018 projects. Both proposals are from Project Clean Air for public education projects, which request a total of \$41,150 in 2018 DMV Grant Program funds. Project Clean Air has been notified that their projects will be recommended to your Board for funding. The recommended project list is attached.

IT IS RECOMMENDED your Board receive and approve the District's 2018 DMV Grant Program Recommended project list; receive public comment; authorize Staff and Legal Counsel to draft necessary project implementation agreements; and bring back said agreements for consideration at the July 2018 Board meeting.

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
