Board of Directors
Eastern Kern APCD
2700 "M" Street, Suite 302
Bakersfield, California 93301

SUBJECT: 2019 DMV Grant Program Recommended Projects

Honorable Board:

The Eastern Kern Air Pollution Control District (District) receives annual AB 2766 "air quality impact" funds collected through the DMV from each vehicle registered in Eastern Kern County. The District uses these funds for projects related to reducing mobile sources emissions, public education, air monitoring, and technical studies/planning activities necessary for the California Clean Air Act.

AB 2766 funds are committed to eligible projects through the District's DMV Grant Program. The District only received one 2019 DMV Program application by the submittal deadline. In an effort to award 2019 funding, District staff decided to include three potential road-paving projects from residents that have called in to our office, requesting their roads be paved. All four projects have a combined total request of \$199,901.50 in 2019 DMV Grant Program funds. The District budgeted \$250,000 for 2019 projects. The recommended project list is attached.

IT IS RECOMMENDED your Board receive and approve the District's 2019 DMV Grant Program Recommended project list; receive public comment; authorize Staff and Legal Counsel to draft necessary project implementation agreements; and bring back said agreements for consideration at the July 2019 Board meeting.

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
