Board of Directors
Eastern Kern APCD
2700 "M" Street, Suite 302
Bakersfield, California 93301

SUBJECT: Proposed Agreement with Agilaire, LLC to provide District with AirVision and AgileWeb Software

Honorable Board:

The Eastern Kern Air Pollution Control District (District) is proceeding with upgrading the District's air monitoring stations in Ridgecrest and Canebrake. Part of the upgrade will include remote access to data generated at the Ridgecrest and Canebrake sites to provide the community with "real time" air quality data. To accomplish the real-time access, additional software and hardware will be required. The District is proposing to use Agilaire, LLC hardware and software (AirVision and AgileWeb), as a Software as a Service (SaaS), to host the District data.

The District desires an initial engagement with Agilaire, LLC to provide 12-month period hosting of District's Ridgecrest and Canebrake data, with unlimited users. Agilaire, LLC is providing access to the data through AirVision and AgileWeb. The proposed cost of the service is \$6,650 per year. Based on the cost of similar systems, the proposed cost is reasonable.

IT IS RECOMMENDED your Board approve and authorize Chairman to sign Agreement No. 05-001-2019 with Agilaire, LLC.

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
