SUBJECT: Wood Smoke Reduction Program Agreement with Greer's Banner Air of Bakersfield, Inc.

Honorable Board:

In 2018, the Eastern Kern Air Pollution Control District (District) entered a Memorandum of Understanding (MOU) with the California Air Pollution Control Officers Association (CAPCOA) to participate in the Wood Smoke Reduction Program (WSRP). The MOU requires the District to enter into agreement with local wood stove contractors and vendors willing to participate in distribution and installation of EPA certified residential clean heating devices.

Greer's Banner Air of Bakersfield, Inc. (Contractor) has expressed interest in participating in the District's WSRP. Agreement 01-004-2020 will allow the Contractor to provide equipment and services to eligible Eastern Kern residents that have been awarded a WSRP voucher.

Three copies of the proposed agreement, a sample copy of which is attached, were sent to the Contractor to approve by signature and are expected to be returned to the District prior to the Board Meeting. If any significant changes are identified by the applicant, the item will be withdrawn and the Agreement will be held to the March 2020 Board Meeting.

IT IS RECOMMENDED your Board approve and authorize Chairman to sign Agreement 01-004-2020 with Greer's Banner Air of Bakersfield, Inc. to participate in the District's Wood Smoke Reduction Program.

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
