

Eastern Kern

Air Pollution Control District

Glen E. Stephens, P.E.
Air Pollution Control Officer

September 3, 2020

Board of Directors
Eastern Kern APCD
2700 "M" Street, Suite 302
Bakersfield, CA 93301

SUBJECT: State Subvention Funds

Honorable Board:

The California Health and Safety Code, Section 39802 provides for granting of state "subvention funds" by the California Air Resources Board (CARB) to local air pollution control districts and Section 39802.5 provides for additional funding of "rural" districts. The California Code of Regulations, Title 17, Article 2, Section 90200 sets forth subvention application procedures. Eastern Kern Air Pollution Control District (District) has applied for and received subvention funds since 1970. The District can satisfy conditions of a subvention grant without modification of its existing program.

The exact amount of the grant cannot be determined at this time, but the District is expecting to receive approximately \$37,955. A copy of 2020-21 application is attached for your reference.

IT IS RECOMMENDED your Board authorize the air pollution control officer to sign and submit the application for state subvention funds as a rural district, provided it is in substantially the same form as the draft provided herein, and to take all other steps necessary to receive funds.

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
