SUBJECT: Appointment of Hearing Board Member

Honorable Board:

The Eastern Kern Air Pollution Control District (District) currently has two vacancies on the District's Hearing Board since March 2021. John Hayes passed away in January 2021, and Charles Arbaut vacated his position early, as he no longer wanted to serve on the Hearing Board. The Hearing Board hears variances, abatements, and permit appeals. During the District's solicitation for the opening, Mr. Brett Moseley contacted the District to be considered for the vacant position. Mr. Moseley's appointment would not conflict with the California Health and Safety Code (CH&SC) §40802.

Mr. Moseley is currently a business professional, currently working for American Safety Services. Mr. Moseley's resume includes a long work history in diverse fields. District Staff spoke with Mr. Moseley and based on his knowledge and willingness to be a Hearing Board Member, District Staff recommends Mr. Moseley for appointment.

This will be a regular appointment. Normal tenure of a Hearing Board Member is 3-years. Therefore, the District is recommending Mr. Moseley have a normal 3-year tenure (ending in July 22, 2024).

IT IS RECOMMENDED your Board appoint Brett Moseley to the Hearing Board for a three-year term, ending July 22, 2024

Sincerely,

Glen E. Stephens, P.E.
Air Pollution Control Officer
