SUBJECT: DMV Grant Program Road Paving Agreement 03-005-2025 with Laura Greene

Honorable Board:

At the July 25, 2024, Eastern Kern Air Pollution Control District (District) Board meeting, your Board approved agreement 07-001-2024 to provide up to \$50,000 in DMV Grant funds to Laura Greene (Grantee) to pave a dirt section of Bristlecone Drive in Wofford Heights. Prior to executing the agreement, the Grantee contacted the District and requested a different section of Bristlecone be paved. This proposed section still meets program guidelines. The Grantee has also provided all required documentation; therefore, the project remains eligible for funding.

Since agreement 07-001-2024 was not fully executed it will be made void and replaced by agreement 03-005-2025. Agreement 03-005-2025 will provide up to \$50,000 in DMV Program grant funds to pave approximately 7,500 of Bristlecone Drive starting from the existing pavement at APN: 083-201-01.

Three copies of the proposed agreement, a copy of which is attached, were sent to the Grantee to be approved by signature and are expected to be returned to the District prior to the Board Meeting. If any significant changes are identified by the Grantee, the item will be withdrawn and the Agreement will be held to the May 2025, Board Meeting.

IT IS RECOMMENDED your Board approve and authorize Chairman to sign Agreement 03-005-2025 with Laura Greene to provide DMV Grant funds for the paving of Bristlecone Drive.

Sincerely,

Gary Ray, Jr.
Air Pollution Control Officer
