### Functional Statement Fiscal Year 2022-2023

Eastern Kern Air Pollution Control District (District) is a "Special District" headquartered in the Kern County Public Services Building with a field office in Tehachapi. The District has jurisdiction over the eastern (high desert and mountain) portions of Kern County; the San Joaquin Valley Unified APCD has jurisdiction over the other (valley) portion of Kern County.

The District is currently authorized for twelve staff positions, including, the Air Pollution Control Officer (APCO). The California Air Resources Board and the U.S. Environmental Protection Agency have jurisdiction over mobile sources. There are three interacting groups within the District: Engineering, Compliance/Technical Services, and Administration.

## Compliance/Technical Services

Air Quality Specialists inspect stationary sources of pollution for conformance with District Rules and Regulations; investigate public complaints; monitor air quality; conduct equipment startup inspections; oversee emissions testing; regulate open burning; develop rules; conduct special studies; assist grant program applicants; assist in plan development; and engage in public education.

## Administration

The APCO leads, guides, and directs the department. The Air Quality Administrative Manager provides personnel, payroll, purchasing, and budget support. Air Quality Office Support Specialists serve as receptionists, secretaries to staff, file clerks, Governing Board Secretary, in addition to providing billing and permit processing support.

Other professional services provided to the District at cost include the following: Information Technology Services, Legal Counsel, Garage Services, other Kern County departments, and etc.
