TO: Eastern Kern County

HEARING BOARD VACANCY NOTICE FOR THE EASTERN KERN AIR POLLUTION CONTROL DISTRICT

NOTICE IS HEREBY GIVEN that there is an existing vacancy on the five-member Eastern Kern Air Pollution Control District (EKAPCD) Hearing Board. The EKAPCD, which regulates stationary sources of air pollution in the eastern portion of Kern County, is soliciting candidates willing to serve in this position and who reside within the EKAPCD. The EKAPCD is required to try to fill this position with an attorney or medical professional, since we do not currently have those professions represented on the five-person Hearing Board (H&S Code) 40801). Other candidates will be considered, if a qualified professional is unwilling to serve. The Board of Directors of the EKAPCD may consider the appointment of candidate to the vacant position at the next regular meeting in May 2011.

The full Hearing Board usually meets approximately three to four times per year, generally in Mojave, but occasionally a meeting may be held in one of the other eastern Kern County towns, as needed. The Hearing Board hears applications from permitted businesses and industry in the EKAPCD for variances to air quality permits, rules and regulations; appeals of permit denials; appeals of permit issuance; orders of abatement; and revocations of permits. The Hearing Board members must reside in the Eastern Kern Air Pollution Control District and are appointed for a three year term. Compensation for service on the Hearing Board includes standard federal mileage reimbursement and a $100 stipend per meeting.

Any person interested in being considered to fill said vacancy should file a written statement requesting to serve on the Hearing Board by April 22, 2011 with Debra Mullins, Secretary of the Board, EKAPCD, 2700 M St, Ste 302, Bakersfield, CA 93301. This statement should include: the candidate’s name; address, telephone number; brief statement of work experience; education; and a brief statement of other qualifications.
